At Davis Law Firm, our mission is to help you achieve your long-term goals. This office is dedicated to offering the best possible legal advice to you so that you may accomplish that with an easy transition. Please complete this short questionnaire so that we may better assess your situation. Listing an asset or debt does not mean that you will lose the property in question. In most cases, you will be able to keep your property.

Your case is different from anyone else's. Our fees are decided on a case by case basis. Average fees for a Chapter 7 bankruptcy are \$2,000.00 plus costs. Average fees for a Chapter 13 are \$3,000.00 plus costs. Costs generally run around \$300.00 for each Chapter. We understand your money situation is not at its best. When you speak to Mr. Davis, ask him about payment arrangements that will fit your budget.

Please remember, the submission of this paperwork to Davis Law Firm does not obligate you to this firm nor does it obligate the firm to you. If you decide that bankruptcy is in your best interests, we will need you to submit more information to the office, provide a retainer and sign paperwork before your case can be filed.
